THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT WITH ADDITIONAL CHARGE OF THE MINISTER OF STATE IN THE MINISTRY OF WATER RESOURCES (SHRI P. K. THUNGON): (a) According to the DDA, following numbers of allotment of residential flats have been made by them on hire-purchase basis category wise as on 31-3-1993:

| | |
|---|---|
| 1. MIG | 25,556 |
| 2. LIG | 42,009 |
| 3. JANTA | 61,850 |

(b) No such data as on 31-3-93 is available with the DDA.

(c) DDA had advised the defaulting allottees of flats through Electronic Media and Press for payment of upto date dues. Action to recover the outstanding dues under Punjab Land Revenue Act has also been initiated to effect recovery as Arrears of Land Revenue.

**Shortage of drinking water in Delhi**

2380. SHRIMATI KAMLA SINHA:
DR. BAPU KALDATE:

Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) whether Government are aware of the continuous shortage of drinking water in many areas of Delhi for months together and that on certain days many areas had to go without any supply of water;

(b) if so, what is the percentage of supply of drinking water as against the daily requirement of Delhi and by what percentage the supply water further fell in the most affected areas in the city; and

(c) what measures have been taken by Government to supply uninterrupted minimum drinking water requirement in the city?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT WITH ADDITIONAL CHARGE OF THE MINISTER OF STATE IN THE MINISTRY OF WATER RESOURCES (SHRI P. K. THUNGON): (a) Delhi Water Suply & Sewege Disposal Undertaking has reported that there is shortage of water in Delhi in the areas situated at the tail end of the distribution system like South Delhi or in those areas which are situated at higher elevation. It is not correct that a number of colonies had to go without drinking water.

(b) As reported by D.W.S & S.D.U., on an average 78.5% water is available. About 50 to 60 per cent water is available in South Delhi areas like Munirka, Malviya Nagar, R. K. Puram, Dakshinpuri, Madangir, East of Kailash, Sarvodaya Enclave and Mahrauli etc., areas of outer Delhi in Najafgarh Block, Kanjhawala Block and Nangloi Block and a few areas in walled city area.

(c) D.W.S. & S.D.U. has reported that 100 M.G.D. Water Treatment Plant at Haiderpur have been taken in hand for augmentation of water supply First phase (50 MGD) has been commissioned. The second phase is in the advance stage of completion. A 40 MGD water treatment plant is under construction at Nangloi. Tenders for construction of 20 M.G.D. Water Treatment Plant at Bawana have already been called. There is a proposal to obtain water from Tehri Dam, Renuka Dam and Kishau Dam which are likely to be constructed.

**Setting up of National Capital Region Development Board**

2381. SHRIMATI CHANDRIKA ABHINANDAN JAIN:
MISS SAROJ KHAPARDE:

Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) whether there is a proposal under consideration of Government for setting up of a National Capital Region Development Board/Council; and

(b) if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT WITH ADDITIONAL CHARGE OF THE MINISTER OF STATE IN THE MINISTRY OF WATER RESOURCES (SHRI P. K. THUNGON): (a) There is no proposal to set up a National Capital Region Development Board/Council. However, the National Capital Region Planning Board have proposed the setting up of a National Capital Region Development Finance Corporation.

(b) No final decision regarding the setting up of the proposed Corporation has so far been taken by the Government.
